EMOR /Leviticus 21:1-24:23 / Haftarah – Ezekiel 44:15-31

Today's Kiddush will be hosted by David Moss in memory of the sinking of the USS Indianapolis.

USS Indianapolis (CA-35) was a Portland-class cruiser of the United States Navy. She holds a place in history due to the circumstances of her sinking, which led to the greatest single loss of life at sea in the history of the U.S. Navy. On 30 July 1945, shortly after delivering critical parts for the first atomic bomb to be used in combat to the United States air base at Tinian, the ship was torpedoed by the Imperial Japanese Navy submarine I-58, sinking in 12 minutes. Of 1,196 crewmen aboard, approximately 300 went down with the ship. The remaining crew of 880 men faced exposure, dehydration and shark attacks as they waited for assistance while floating with few lifeboats and almost no food or water. The Navy learned of the sinking when survivors were spotted four days later by the crew of a PV-1 Ventura on routine patrol. Only 316 sailors survived. Indianapolis was the last major U.S. Navy ship sunk by enemy action in World War II.

We remember those who have departed during the past year, whose names are inscribed on the memorial plaques in the Steinman Chapel and in the Sanctuary, and /or in our Hearts.
